For Students

## How to Log in to BookNook through Schoology for LAUSD Students

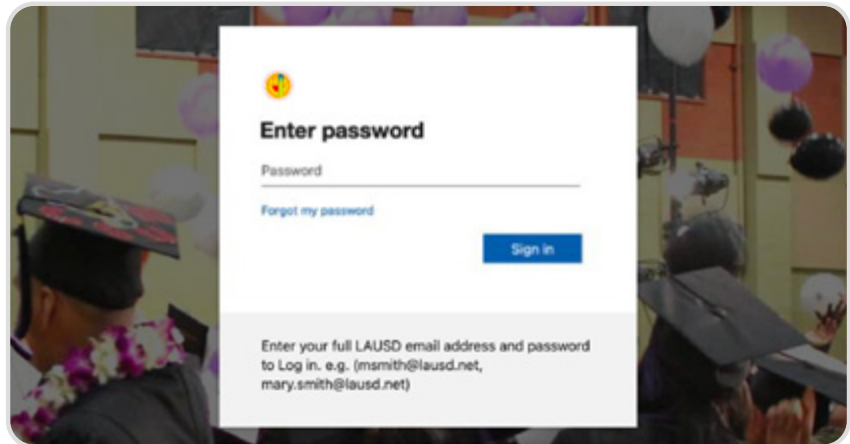

Please see below for student instructions on how to log in to BookNook through Schoology. To watch a video tutorial, [click here](#).

1. Go to the [Schoology login](#) page
2. Select “Students”
3. Sign in using your LAUSD student email address ending in mymail@lausd.net

#### 4. Enter your password

**Note:** If you forgot your password, do not reset your password using “forgot my password.” You should reach out to your classroom teacher for help.

#### 5. Your child will access BookNook through the Schoology platform. Once they are logged in, click “Courses” at the top.

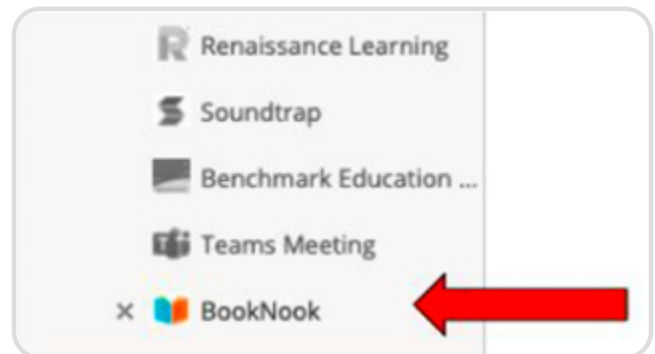

#### 6. Choose your course. This should be the course for your classroom teacher.

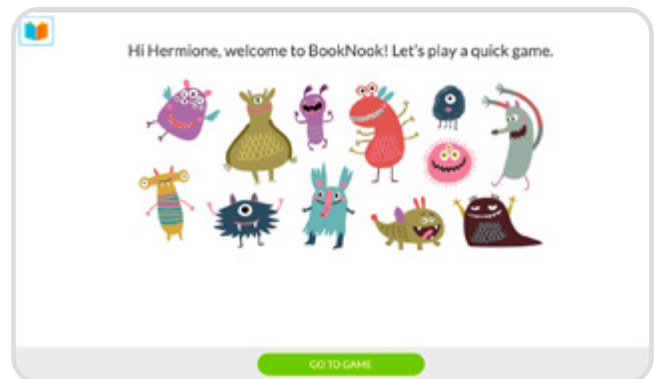

7. On the left hand side of the toolbar, you should see a BookNook icon.

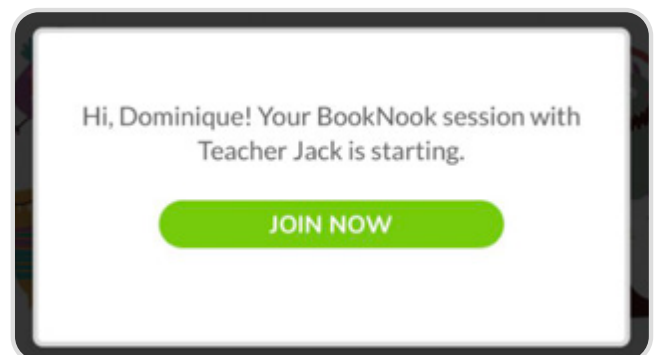

Click on it to log in.

8. Once you are in the BookNook app, you will have the option to play a game until your teacher invites you into the session.

9. When your teacher is ready to start the session, a pop-up window will appear on your screen inviting you to join the session.

Please remember to open both your Zoom screen and the BookNook session side-by-side. **Enjoy your session!**
