Remote literacy tutoring for students

We have teamed up with BookNook to offer virtual reading tutoring.

Students will work with an assigned BookNook tutor to complete engaging reading lessons together over Zoom. Each standards based lesson includes diverse text and dynamic activities to keep learning fun!

CUSTOMIZED PROGRAM

BookNook is bringing free tutoring to your students.

Your program delivers:

- 30 minute virtual tutoring sessions
- 2 times per week, Tues. & Thurs. (Cohort 1)
- 3 times per week, Mon., Tues., & Thurs. (Cohorts 2 & 3)
- Simple login with Clever

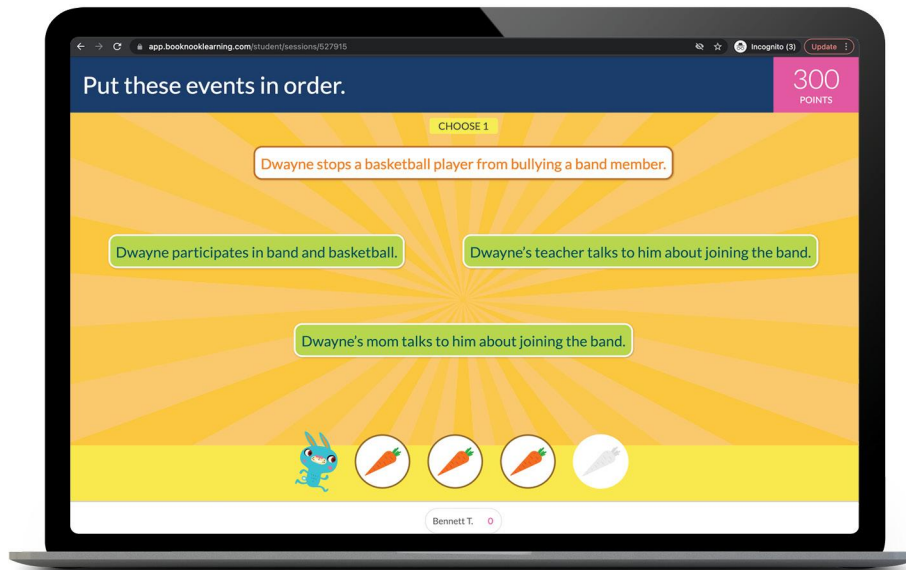

EXPERIENCED TUTORS

BookNook's nationwide network of tutors deliver live, remote reading instruction in small groups or 1 to 1 sessions.

Our vetted tutors have:

- At least 1 year of teaching experience
- A bachelor's degree or above
- Completed a background check

The BookNook Experience

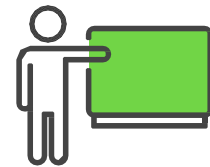

SYNCHRONOUS

Our patented platform automatically syncs devices providing a collaborative student-educator experience whether in-person, remote, or hybrid.

RIGOROUS

Based on the Science of Reading, our standards-aligned supplemental reading curriculum was created to maximize literacy skills in optimal time-frames.

INTUITIVE

Comprehensive support in each lesson helps guide educators at every step. The automated grading system monitors student progress to guide student instruction.
